1. After the meeting which Mr. [REDACTED] (Map Section, Graphic Materials) and I had held with Mr. [REDACTED] of Map Branch, ORE, I asked Mr. [REDACTED] to prepare a draft for me of his opinions concerning the most feasible way for handling the map-reference problem in CIA. This meeting was held on Tuesday, November 25, 1947.

2. I have just received the attached memorandum from him. Since it follows fairly closely our thoughts as expressed during last Friday's discussion of the map problem, I thought you might be interested in seeing Mr. [REDACTED]'s own opinions in this matter. If you would like to keep this memorandum either temporarily or indefinitely for your own reference, please do so.
